Re: Dan Cook

To Whom it May Concern:

It is with great pleasure that I write this letter of recommendation in support of Mr. Dan Cook's application for an adjunct professor position at your school.

Mr. Cook has been employed at Manheim Central High School for the past ten years and has taught many of our students Drawing, Painting and Computer Art. During this time, I have become well-acquainted with both his strengths as a teacher and his ability to create the classroom climate and good rapport with his students that are essential to their achievement and growth.

Mr. Cook is a dedicated teacher who served as lead Art teacher for several years and was an integral participant in creating a curriculum which offers our students a variety of in-depth courses. Mr. Cook is always a valuable resource for students, their families and the administration, and has an excellent relationship with his students and his peers.

I highly recommend Dan Cook for a position on your faculty as an adjunct professor. I am sure he will be an asset to your school, and to your student body.

Sincerely,

Dr. Felice Stern  
Assistant Principal
